**Selling 74 Head**

Dorper and White Dorper Breeders,

It gives me great pleasure to invite you to our 6<sup>th</sup> Production Sale at the farm in Powell, Ohio. As in the past, we will be selling some very high quality individuals that have won and produced National Champions for us. The genetics have worked for us and I am confident they will work for you. This being our 6<sup>th</sup> Production Sale and we are very proud of how our sheep have performed for their new owners, I feel this is the deepest set of high quality dorpers we have sold yet! The Yearling Ewes will sell exposed for fall lambs. They will be mated as if we were keeping them. The fall and spring ewe lambs will be Nationally Futurity nominated. Riverwood Farms will match the National payout for youth.

The future for the dorpers continues to be bright with record registrations and transfers, record turn outs for shows, record high sale averages at the sales and more shows in all parts of the country.

For those flying in or driving from a distance, there are hotels listed. Call right away for reservations.

The sheep will be on display on Friday. Plan to join us Friday night for a social event.

As of print time there is a truck and trailer heading east to Massachusetts, one from Texas and Riverwood Farms will provide transportation to Sedalia in June.

Looking forward to seeing you at the sale May 25<sup>th</sup>.

Eric Bruns

P.S. There will be no loading of sheep until the sale is completed.

This guy is a beast!! Massive and powerful. He had a chest infection as a yearling and has scar tissue from it, causing him to look deep chested. He has the size from 6235 and the power of his Powell mother. Tommy Slack of Wisconsin leased this guy last year.

### Lot 3- RF 6539 RR

Born: 9-5-16 Tw.  
S- RF 6235  
S- RF 6041  
D- RF 5457  
D- RF 5929  
S- RF 5765  
D- RF 4567

An intriguing ram, not only being an RR son of 6235, he is line bred 4415, the best female Riverwood ever raised. 4567 dammed our Champion Ewe at Sedalia and lived to be 13 years old. This guy's twin sister was our best yearling ewe last year. Great genetics. This ram is long bodied with a masculine head. We will be breeding ewes to him before the sale.

S- Powell Ranch 1242  
D- Powell Ranch 8018

This guy is truly an impressive specimen. Large, powerful, and balanced with a great head. 6235 bred to the Powell Ranch ewes just flat works. 6713 is just like his father only more massive in his muscle pattern.

### Lot 6- RF 6714 QQ

Born: 9-27-17  
S- RF 6235  
S- RF 6041  
D- RF 5457  
D- Yucca Lily S1171  
S- Yucca Lily S0184  
D- Yucca Lily 8044

6714 is a long bodied, straight made ram that walks on a huge foot. 1171 always lambs in the fall. Her lambs are the fastest growing as she milks like a cow. If you need to stretch your dorpers out a bit and get great maternal traits in one package, 6714 is the ram for you.

### Lot 7- RF 6762 QR

Born: 2-9-18  
S- RF 6235  
S- RF 6041

D- RF 5457  
D- RR Dorpers 546  
S- RR Dorpers 1106  
D- RR Dorpers 378

A result of our E.T. Program. Sired by 6235 a ram I can't say enough about. Dammed by the \$8,000.00 Duncan Champion Ewe, RR Dorpers 546. We have used her son that was on her side at the sale and they are fantastic!

## FALL RAM LAMBS

### Lot 9- RF 6792 QQ

Born: 9-1-18 ET  
S- RF 6235  
S- RF 6041  
D- RF 5457  
D- 3C 10-317  
S- 3C TP Ranches R169  
D- 3C 5474

A result of our fall flush. 10-317 is going strong at 9 years of age and makes good ones every year. We are retaining a flush brother to continue 6235's genetics as we lost him this winter. 6792 is a very well balanced ram that is muscular, long bodied and wide topped.

### Lot 10- RF 6808 QR

Born: 9-5-18 Tw.  
 S- Powell Ranch 4473  
 S- Powell Ranch 1242

 D- RF 6575  
 S- RF 6235  
 D- Powell Ranch 2261

Sired by the 2015 National Sale Champion Ram Powell 4473. His mother is a full sister to Lot 5. 6808 is a little smaller in stature, but boy is he powerful and cocky. His rib shape is awesome. A son of 4473 is at stud for Lobdell's and 6808 reminds me a lot of their ram. Twin sister sells as Lot 24.

### Lot 11- RF 6820 QR

Born: 9-7-18 Tw.  
 S- RF 6235  
 S- RF 6041  
 D- RF 5457  
 D- RF 6568  
 S- Powell Ranch 4473  
 D- RF 5816

If all hair is what you like, 6820 is the ticket. A lot of times the all hair sheep are not as muscular and stout made. That is not the case here. 6235 bred to a 473 daughter makes this guy an interesting breeding piece.

### Lot 12- RF 6864 QR

Born: 10/6/18 Tw.  
 S- RF 6550  
 S- RF 6235  
 D- RF 5823

 S- RF 6040  
 D- RF 5445

6550 was the result of breeding 2016 NAILE Champion ram to the 2013 NAILE Champion Ewe. He has a black spot on his naval so we never showed him. This guy is a month younger than the other fall rams. Do not overlook him because of his age. He traces back to the legendary 4415 ewe six times. He should breed better than he looks!

## YEARLING EWES

Sale Highlight! Sire and dam were Champions at NAILE! Genetically awesome! She lambed in January and has our best ewe lamb. Not since 4415 was a baby have I thought as highly of a little female.
